WM. E. PELL, PROPRIETOR.

AN ACT.

TO PROVIDE FOR THE REGISTRATION OF VOTERS.

The General Assembly of North Carolina do enact:

Section 1. That the Commissioners of Counties shall have power, (a majority of such Commissioners who are duly qualified being present,) to establish, alter, discontinue or create such separate places of elections in their respective counties as from time to time they may deem expedient, giving thirty days notice thereof, by advertisement in some public journal, if there be one in their county, in three public places and at the Court House in their county.

Sec. 2. The Secretary of State shall, prior to the tenth day of September next, provide for and forward to the Commissioners of Counties, suitable registration books for each election precinct as established for the last previous election, and a suitable number of the blank forms of oaths, prescribed by Article VI, section 4, of the Constitution.

Sec. 3. In case the Commissioners of Counties shall not receive, on or before the first day of October next, a sufficient number of registration books and blank forms of oaths, as above prescribed, they shall provide themselves with the same at the expense of the State.

Sec. 4. The Commissioners of Counties, or, in case no Commissioners shall have qualified, the Governor, shall, on or before the fifth day of October next, select one Justice of the Peace for each election precinct in their counties, who shall act as Registrar of voters for such precinct. He shall be furnished with a registration book and blank forms of oath, and shall at all times, from the fifteenth day of October next until the day of the next Presidential election, receive and register such qualified voters as may offer, administering the oath provided by the fourth section of the sixth article of the Consitution, to which oath he shall require each elector to subscribe previous to registering his name in the registration book. He shall receive a fee of five cents for each voter registered, to be paid out of the County Treasury.

Sec. 5. The County Commissioners, or, in case no Commissioners shall have qualified for their respective precincts, (counties,) the Governor, shall, on or before the twentieth day of October next, appoint two electors in each precinct, who shall, with the Registrar, be judges of elections at the next ensuing Presidential election, and shall, fifteen days previous thereto, appoint one Justice of the Peace and two electors in each precinct as judges of elections for every ensuing State, county and Municipal election. The judges of election shall attend at the places for which they are severally appointed, on the day of election, and shall be sworn by the sheriff, or, in his absence, by some Justice of the Peace or other officer authorized to administer an oath, to conduct the election fairly and impartially, according to the Constitution and laws of the State; and in default of acting, shall be guilty of a misdemeanor. Such judges, in addition to the powers conferred upon them by this act, shall have all the powers and duties heretofore vested in inspectors of elections, not inconsistent therewith, and be subject to the same penalties.

Sec. 6. Every male person born in the United States, and any male person who has been naturalized, twenty-one years old or upwards, who shall have resided in the State twelve months next preceding the election, and thirty days in the county in which he offers to vote, shall be deemed an elector and shall be entitled to registration upon application.

Sec. 7. Except in cases provided for in section eleven, of this act, no person shall be allowed to vote at any election unless his name shall be found upon the registration books of the precinct in which he offers to vote, unless he shall take and subscribe the following oath: "I,——, do solemnly swear (or affirm) that I will support and maintain the Constitution and laws of the United States, and the Constitution and laws of North Carolina not inconsistent therewith; that I have been a resident in the State of North Carolina for twelve months, and in the county of —— for thirty days, and that I have neither registered nor voted during this election in any other precinct." Such person having taken this oath shall thereupon be registered.

Sec. 8. It shall be the duty of the judges of elections to keep the registration books for their precinct at the place of holding the election during the day of such election, and to register therein the name of any legal voter, first administering the oath as provided in the last section, before receiving the vote of any elector not previously registered.

Sec 9. Immediately after any election, the judges of election shall deposit the registration books for their respective precincts with the Register of Deeds of their counties.

Sec. 10. It shall be the duty of the Register of Deeds, previous to any election to be held after November next, to furnish the judges of election for each precinct with the registry books for their precinct.

Sec. 11. The Registrar of voters shall, at the request of any legal registered voter in his precinct, furnish to such voter, under his signature, a certificate of registration, stating the county and precinct in which such voter shall be registered, and shall make an entry of such certificate against the name of such voter on the registration book. Upon such certificate of registration such elector may vote in any precinct in his county, without further registration.

Sec. 12. Upon receiving such vote, the judges of elections shall fold such certificate of registration with the ballot of the elector offering to vote thereupon and deposit it in the ballot box.

Sec. 13. All acts and sections of acts, ordinances and sections of ordinances, in conflict herewith are hereby repealed.

Sec. 4. This act shall be in force from and after its ratification.

Ratified the 24th day of August, A. D., 1868.

AN ACT

To amend an Act entitled "An act to provide for the Registration of Voters."

The General Assembly do enact:

SECTION 1. That the Justice of the Peace appointed by the Commissioners or by the Governor to act as Registrar of voters in each election precinct, as provided in the fourth section of an act entitled "An Act to provide for the Registration of Voters," shall make out two copies of the original registration book for the purposes hereinafter mentioned; which said copies, when certified to be correct by the Registrar, shall have all the legal force and effect of the original registration book.

Sec. 2. That the County Commissioners, or, in case no Commissioner shall have qualified, the Governor, shall, on or before the 20th of October next, appoint six collectors at each precinct who shall, with the Registrar, be judges of election at the next ensuing Presidential election; and the said six electors shall take the place of the electors provided for in the fifth section of the said act and shall perform all the duties which have been conferred upon them.

Sec. 3. It shall be the duty of the judges provided for in the preceding section to provide at least three separate ballot boxes on the day of the election at their precincts for the convenience of voters, and as many more boxes as they may think necessary. Two judges shall preside at each of the three ballot boxes, and if a majority of the judges think more boxes necessary, they shall appoint two additional judges for each additional box. The Registrar shall assist at all the boxes.

Sec. 4. The Registrar of voters shall furnish the original registration book and the two copies hereinafter provided for, to the judges of the election in the precinct for which he is appointed; he shall furnish one copy to the judges of each of the three boxes, and if there be more than three boxes, he shall furnish one additional copy for each additional box.

Sec. 5. The Registrar shall receive one cent for each name copied from the original registration book.

Sec. 6. Any person who shall, with intent to commit a fraud, vote at more than one time, shall be guilty of a misdemeanor, and, on conviction, shall be imprisoned not less than six nor more than twelve months, or fined not less than one hundred nor more than five hundred dollars at the discretion of the Court; and any registrar of voters or any clerk or copyist who shall make any entry or copy with intent to commit a fraud shall be liable to the same penalty.

Sec. 7. No registered voter shall be challenged on the day of election, but those offering to register on the day of election may be challenged, and every person applying for registration before the election may be challenged at that time in like manner.

Sec. 8. All acts inconsistent with the provisions of this act are hereby repealed.

Sec. 9. The Secretary of State shall furnish a printed copy of this act to the Commissioners of each county.

Sec. 10. This act shall be in force from and after its passage.

Ratified the 24th day of August, A. D., 1868.

(Signed,) JOS. W. HOLDEN,
Speaker House of Representatives.
(Signed,) TOD. R. CALDWELL,

THE REGISTRATION ACTS.

We publish in our columns, to-day, the two Registration Acts passed by the late General Assembly. Every reader should examine them carefully.

It will be seen that the Commissioners of Counties have power to establish, alter, discontinue or create such separate places of election, as they may deem necessary, giving thirty days' notice of the same. The Commissioners, or, in case they have not qualified, the Governor, on the 5th of October next, will appoint one Justice of the Peace for each election precinct, who shall act as Registrar, and who shall be furnished with the necessary books, &c. It is to be hoped that the Registrars will be selected for their competency and good moral standing.

The Registrars shall "*at all times*, from the 15th day of October next, until the day of the Presidential election, receive and register such qualified voters," &c. This is a most objectionable feature of the bill, and opens a wide door for fraud, if the Registrar should be a corrupt man. Did the Legislature *intend* this? The act provides that voters *shall not be challenged except at the time they register*. But the Registrar may register *at all times* for eighteen days—day or night, in public or in private. If so, who can be present to challenge improper persons who wish to register? This is an abominable feature. Registrars ought to have been compelled to register names only in a public place, and only at such times as they shall publicly advertise to do so. Some of the Registrars played a secret game, in the late registration, and many improper persons were registered. We can have no fair registration or election, under such circumstances, if men choose to act dishonestly, and the only way to make *some* men honest, is never to give them the chance for dishonest conduct. It will be seen, therefore, if we cannot have a fair and honest registration, there can be no fair election. Every Registrar in the State ought, therefore, to publicly announce when and where he will receive the names of voters for registration, and never, in a single instance, to receive a name only at such times and places. This is necessary for their own protection. All we want is a fair and honest election. This is essential to peace and general confidence.

The following sections of the Act will show who are entitled to register and vote:

SEC. 6. Every male person born in the United States, and any male person who has been naturalized, twenty-one years old or upwards, who shall have resided in the State twelve months preceding the election, and thirty days in the county in which he offers to vote, shall be deemed an elector, and shall be entitled to registration upon application.

SEC. 7. Except in cases provided for in section eleven of this act, no person shall be allowed to vote at any election, unless his name shall be found upon the registration books of the precinct in which he offers to vote unless he shall take and subscribe the following oath: "I, ——, do solemnly swear (or affirm) that I will support and maintain the Constitution and laws of the United States, and the Constitution and laws of North Carolina not inconsistent therewith; that I have been a resident in the State of North Carolina for twelve months, and in the county of ——for thirty days, and that I have neither registered nor voted during this election in any other precinct." Such person having taken this oath shall there upon be registered.

The act says that the Commissioners or Governor shall, on or before the 20th of October, appoint six *collectors*, (we suppose it means, *electors*,) at each precinct, who, with the Registrar, shall be judges of the election in November. This would seem to be clever, if the judges were selected equally from each party, but even this will accomplish nothing. The mischief will all have been done, if the Registrars shall have *privately* admitted improper persons to *register*, when no one was present to challenge.

The regulation is a good one, which allows the judges to provide at least three boxes, or more, for voters. This will greatly facilitate the voting.

The act is, however, defective in another particular. It makes a provision that the books, after the election, shall be deposited with the Register of Deeds, but it makes no provision for the counting of the votes. This, of course, will compel the judges, &c., to count according to the statute in the Revised Code, unless the mode is provided for in the acts passed in reference to the election of Presidential Electors, which we have not yet seen.

Let every man be ready to register, who is qualified, and to vote, but none others. If it is ascertained that improper persons have registered, when no chance for a challenge has been give, the attention of the Registrars must be called to it at once, and every means and all vigilance must and will be employed to detect *and punish* fraudulent registration.

THE CANVASS—THE RADICAL PARTY.

As a contemporary justly remarks, the Presidential canvass, as conducted by the Radicals, presents a new feature in the history of American politics.

They make *no* claim of statesmanship for their candidate. He has never claimed to have any ideas of his own. On more than one occasion he has proclaimed his ignorance of the theory and practical workings of our government. In his brief letter of acceptance there is nothing to indicate his opinions on any of the vital questions of the day. Of the great issues of absorbing interest which now divide the two great parties of the day, Grant professes to be totally ignorant. He has no policy of his own. That much he avowed in his letter of acceptance. He does not know to-day, nor do any of his supporters know, whether he is for paying off the bonds in gold, for the benefit of the bondholders, or whether he is for liquidating the public debt according to the terms of the law which created it.

The Radical party, therefore, is not basing its hopes of success upon the statesmanship or ability of its candidate. They even attempt to make a virtue of his silence, and claim for him a vast amount of owlish wisdom, while in the same breath they laud to the skies the "eloquence" of Colfax, who is running for the next highest office on the same ticket.

The few common place ejaculations which have escaped from the lips of the mum candidate—such as 'Let us have peace,"—are caught up and paraded in all possible variations. Such is their candidate.

How about the party itself? Eight years of oppression, of maladministration, of unconstitutional acts, of outrages and wrong upon sections and private individuals, comprise its record. By its reckless partisan violence, its malevolence, and its notorious disregard of the rights of individuals, it has covered itself with odium, and it goes into the canvass weighted down with the detestation of a once free people. It has plunged our country into national debt and national dishonor. And while it can point to no redeeming feature in its past history, it does not pretend to hold out anything better for the future, and proposes no remedy for the notorious wrongs of its own creation!

THE WAR PARTY.

The Radicals are bent upon involving us in civil war again. They cannot live but upon spoil, devastation, riot, bloodshed and war. Failing in their attempt to delude and mislead Congress into the warlike position of arming the negroes against the whites of the South, they are attempting, in this and other States, in violation of the Constitution of the United States, to raise a volunteer or "detailed militia" force, to be armed and equipped, with instructions to patrol and perambulate certain counties, where the Radicals are foolish or reckless enough to ask it of the Governor, to irritate and disturb the quiet of the country, by menaces and the arbitrary arrest of citizens, without legal civil process or warrant. They know that such conduct would irritate and disturb our people, and they trust, by this means, to excite riots and bloodshed in the South, in order to help Grant and Colfax at the North.

The *fatuity* of men, whose natural timidity leads them to jump at the crack of a stick, has been taken hold of by the Radicals, and much ado is made about the war proclivities of Gen. Blair and the Democrats. An effort is being made to startle and arouse the public hostility to war. Every one feels that we have had war and commotion enough. The Democrats and Conservatives are for peace, for nothing else but peace. No effort of theirs to maintain peace and order will be lacking. They hold no sentiment, favor no project, adverse to peace. Their aims are purely legitimate and lawful. They will do nothing to provoke bitterness or retaliation,—will bear *long* with the conduct of the opposition, *but they will steadily pursue the object of restoring and maintaining the Constitution and a harmonious Union of the States.* But *war*, WAR, is the cry of the Radicals. When Gen. Grant said "Let us have peace," he meant the peace which the sword gives!

WE SEE it stated, by the Washington correspondent of the Baltimore *Sun*, that J. R. French, the carpet bag Representative from the 1st. District in Congress, has arrived in Washington, for the purpose of urging the September session of Congress. French had better confine his attention to his own District. If rumor be true, it is the intention of the scallawags to throw him overboard. Dr. Barrow's late letter was a bid for the nomination, and it is said that he has the inside track on French.

CHARGE IT UPON the Radicals that they wish their Detailed Militia in North Carolina, not only for the purpose of *prosecuting a fair ballot, and intimidating voters*, but with the avowed object of RESISTING the administration of the government by Mr. Seymour, if he should be the choice of the American masses! Let the people of the North note this.

THREE of the nine Electors on the Grant ticket in Georgia have withdrawn from the party and openly declared for Seymour and Blair. They are Aaron Wilbur, of the first, E. R. Harden, of the second, and W. W. Boyd, of the seventh Districts.

Grand Conservative Meeting at Lincolnton!

Eight Hundred People on the Ground!

Bynum Snowed under by Vance!

The Ball Rolls on—"And the Radicals cry Peace!"

CHARLOTTE, N. C., Sept. 4th, 1868.

EDITORS SENTINEL:—Your correspondent, upon invitation, visited the pleasant town of Lincolnton yesterday, to *only* hear, as he thought, the immortal Vance speak on the topics of the day, but was much surprised, on reaching the place, to learn that Col. Wm. P. Bynum, the Solicitor of this Congressional District, and who is strongly imbued with Radical principles, was *also going* to speak. This was, of course, what the Conservatives wanted, for it is the only time one of the Radical stripe has *dared* to meet a Conservative in open debate, and how this was brought about, I will tell you.

It seems that Col. Bynum had called all the leaguers together to hear *only him* make a personal explanation of his position, and it so happened that the Conservatives of old Lincoln had fixed upon the same day to have a meeting.

The day came, and so did a large concourse of Conservatives from Mecklenburg, and the counties surrounding Lincoln. There were gathered together, also, the leaguers, (white and black,) and, as your correspondent noticed, a lot of radicals, who *say* they dont belong to the league. Now, of course, it would not do for Vance to speak to one crowd, (all of his own way of thinking,) and Bynum to do the same thing to another, and so the two orators had a meeting, at which it was determined they both should address the same concourse, Col. Bynum *insisting* that *he* should talk first and last. Well, it was arranged upon that platform—for we would have accepted anything to have allowed Vance an opportunity to say a *few* things to the Radicals; for, as you well know, they won't give a Conservative any chance whatever to say a word to them on the stump, but will doggedly insist upon only hearing their side of the present controversy. And so it was arranged.

The crowd went to the large Court House, but it was too small, and they had to adjourn to a grove. After all (who were able) procured seats, Gov. Vance and Col. Bynum appeared upon the field, and Col. B. immediately ascended the temporary platform erected for the speakers. The Col. commenced by saying he had called this meeting for the purpose of making a personal explanation, and that he had no objection to any one replying to him. Well, he had a written speech, for, said he, he would not trust to memory, for he *might* say something unguarded. *Just so!*

Now, Messrs. Editors, I am not going to tax my brain to write out a report of what Col. Bynum did say, nor will I tax your patience in reading a proof of it, nor the energy of your type setters in putting up such a groundless, and, for so talented a man as Col. B. is said to be, senseless harangue, (upon the grounds on which it was based—for you know they have only *one argument*,) nor the time of your readers in perusing such stuff. He was listened to with marked attention,—perfect silence by the white part of the assembly—and was only cheered twice by the leaguers, *and both these times his remarks were strongly in favor of Conservatism!*

He spoke for two-and a-half mortal hours, and then Gov. Vance came forward, and when he ascended the platform such cheers arose as made the welkin ring. And did'nt Bynum catch it? When Vance got through, there was nothing left of him to pick further. He was skinned alive—perfectly flayed. His arguments were scattered to the four winds of Heaven; and you should have seen him!

During Gov. Vance's speech, Col. Bynum arose twice to attempt to re-explain a point, and both these times your correspondent thought that he would have cried, at the utter hopelessness of his cause, and the sound arguments of Gov. Vance. Col. Bynum said he did not belong to any party—Gov. Vance proved, (from the Col's. speech,) that he was a Radical of the deepest dye. Col. Bynum said his party was for peace. Gov. Vance proved it was for war—and that the Conservative party was the only peace party of the country, and still further substantiated it by saying that *the Conservative party had never axked the Congress of the United States to send* ARMS *down to them.* Do you see where the shoe pinches?

Gov. V. wanted to know from Col. B. if he believed the secession ordinance unconstitutional; and if the States were ever *out* of the Union. Col. B. said it was un-constitutional, and that the States were *never* out of the Union. Then Gov. V. wanted to know why did Congress undertake to reconstruct States, which were never out of the Union, and why their representatives were not received at their *first* application to go into Congress, after the war? Colonel B. *couldn't answer*, except by dodging. Then Gov V. wanted to know if the reconstruction measures were constitutional, unconstitutional or *extra*-constitutional. And there's where he had him! Col. B. said they were the only measures we had to reconstruct under, *and would not say* WHETHER they were constitutional, unconstitutional or extra-constitutional. Every fair-minded man knows they are *unconstitutional!* but you cannot get these Radicals to say anything about it, except at negro meetings, where they have no fear of contradiction.

The Gov., during his speech, was frequently interrupted by rounds of applause, at his telling arguments against Col. B's position, and shouts of laughter at his pointed anecdotes.

I might go on, Messrs. Editors, and give you a full description, but I have consumed too much space already. Suffice it to say, the day passed off very pleasantly and harmoniously, and a great amount of good was done for the Conservative cause.

I forgot to mention, in commencing this article, that the crowd from Charlotte was attended by the brass band of our city, composed of some of our best young men, who are becoming exceedingly proficient for sweet music, though only amateurs.

I trust, Messrs. Editors, should life be spared, and it be agreeable to you, to give some other particulars of our great meetings in Western North Carolina. I know your paper is widely circulated here, and that our section should have a place in the picture.

With much respect, I am,
Truly yours,
J. R. B.

In Michigan, which will reduce the Radical majority to less than 5,000, if not go wholly Democratic, the campaign is being conducted to a splendid consummation. Senator Doolittle is making magnificent addresses. Friday night he spoke in Detroit to about six acres of Democrats, and Sam Weller's proposed microscope of "double distilled million hextra power" could reveal no thread on which to hang the Radical Congress, except the single cord which they deserve.

The Springfield *Republican* says that Gen. Grant "should immediately return to Washington." That's so, because the probabilities of his regular residence there after this year are very small.

IMPORTANT ACTS.

We publish below two important acts passed by the Legislature, at its late session:

AN ACT ESTABLISHING A LIEN IN FAVOR OF BUILDERS, MECHANICS AND MATERIAL MEN.

The General Assembly of North Carolina do enact:

Section 1. That any vessel or building built or rebuilt, repaired or improved, together with the necessary lot on which such building may be situated, shall be subject to a lien for the payment of all debts contracted for work done on the same or materials furnished.

Sec. 2. Such lien shall cease within five days of the completion of such building or vessel or of the repairs thereon; and in case of the delivery of materials within five days of the delivery of the last item thereof, unless a notice of such lien shall previously thereto be filed in the office of the Register of Deeds of the County wherein such building is situated, or in case of a vessel when the materials are furnished or labor performed and within ninety days of such completion or delivering as above, unless suit shall have previously been brought thereon.

Sec. 3. The notice of the lien shall consist of an affidavit setting forth the date, amount and particulars of the claims thereto, sworn before some Justice of the Peace and subscribed by the claimant.

Sec. 4. Every laborer performing labor in the raising or securing of any crops, shall have a lien upon such crops, which shall have a priority to every other lien.

Sec. 5. Such lien may be enforced by attachments, and shall cease upon the removal of the crops from the premises where on it was made.

Sec. 6. This act shall take effect from and after its ratification.

Ratified the 22d day of August, 1868.

AN ACT

To make Bank Bills a Set Off.

The General Assembly of North Carolina do enact:

Section 1. That where any note or bond has been, or may hereafter be, given as a renewal of any debt or demand due or payable to any Bank in this State, whose Charter bears date prior to the 20th day of May, 1861, the bills of said Bank shall be a legal set off to such note or bond, without regard to whether such note or bond be made payable to said Bank or to some other party; and the bills of such Bank may be offered, and shall be, received to sustain the plea of set off to any suit brought upon such note or bond in any Court of this State whether said note or bond be made payable to such Bank or to any other party.

Sec. 2. That this act shall be in force from and after its ratification.

Ratified the 22d day of August, A. D., 1868.

STATE OF NORTH CAROLINA,
OFFICE SECRETARY OF STATE,
Raleigh, August 27th, 1868.

I, HENRY J. MENNINGER, Secretary of State, hereby certify that the foregoing is a true copy of the original act on file in this office.

HENRY J. MENNINGER,
Secretary of State.

ILLEGAL VOTES.

A leading Radical paper prates about "illegal votes." Does it not rely upon, is not the whole life of its party bound up in, 800,000 negro votes, every one of which is illegal, since the Constitution is the supreme law of the land, and the system under which alone these blacks are voters is confessedly outside of the Constitution? &c.

Then the *Tribune*, which prates about "illegal votes," starts with eight hundred thousand of them, nor is this alone the full extent of its fraudulent suffrages. The *Tribune* and its party disfranchise 250,000 white men in the South. To keep an adverse vote from the polls is the same as to put in a friendly one, and in this way the *Tribune* and its party poll, by disfranchisement, 250,000 more illegal votes. Nor is even this all. In Tennessee and Missouri there are 100,000 more illegal votes for the tricky *Tribune* and its crew. More than this: in New Hampshire and in Connecticut laws have been enacted which must, by their operation, keep from the ballot box 20,000 lawful, naturalized voters. Now let us add all these up and see how the saints stand: Negro votes, 800,000; white men disfranchised, 370,000; total illegal votes, 1,170,000. Can the *Tribune* look at these figures and prate further of "illegal votes?" Without such votes Radicalism is with last year's snows. It deals with the ballot illegally on either way—for on the one hand it illegally disfranchises white men and on the other, illegally enfranchises negroes. A pretty cry this to come up from the tricky *Tribune*, the friend of carpet bag Senators who cast illegal votes in the Senate and carpet-bag Representatives who cast illegal votes in the House, and carpet-bag State Governments that are relied on by Radicalism to prolong its existence by illegal votes in the Electoral College.—*Chicago Times.*

THE MYSTERIOUS DISAPPEARANCE AT SAVANNAH—THE BODY FOUND MURDERED, &c.

SAVANNAH, GA., September 3.—The white boy, who mysteriously disappeared, has been found murdered by negroes near the city. His gun and clothing were gone, and for these the murder is supposed to have been committed. The coroner's jury rendered a verdict of "killed by parties unknown." There is great excitement in the city. Parties have been out three days hunting for the boy, and they have been stopped by armed bodies of negroes, who halted them after military style. Parties are now out scouring the country in search of the murderers.

Assaults on the whites by negroes on the roads leading into the city are of hourly occurrence. The negroes in and around the city are thoroughly organized, drilled and well armed.

GEN. GRANT'S SPEECHES.—At the reception in Chicago, a few days ago, Grant performed the remarkable feat of making two speeches in less than an hour. The first was as follows:

"I thank you for this spontaneous compliment. As this audience knows I do not make speeches, and I could hardly find language in the presence of so large a gathering of my fellow-citizens, even to express my thanks, you must simply, upon this occasion, allow me to return from the bottom of my heart, my sincere thanks for this kind call."

But, as if the above was not enough, after music by the band, he spoke another "piece" in the following words:

"I thanked you once for your kindness. All I can do now is to thank you again for this unexpected greeting and for this magnificent turn out. I feel that I should like to speak to each of you and to shake hands with each of you, but this is impossible.—So I can but say I thank you—I thank you."

He is evidently a thankful man.

Gen. Meade returns 16,089 negro voters in Florida. But the State census of last year gives only 15,000 male negroes in that State. Meade, therefore, has a great knack at finding negro voters. He is a genius in the negro line.

BARBER AND HAIR DRESSING SALOON.—We are pleased to see that Henry C. Prempert, late of Goldsboro', has removed to this city and fitted up an elegant Barber and Hair Dressing Saloon in the basement room of the new Lougee iron-front building, which is occupied by R. B. Andrews & Co., next door to Tucker Hall. Mr. P. will employ competent white assistants. He is, himself, perfect master of his business, in all its departments. His saloon will be fitted up with style and taste, and a luxuriant shave or shampooning will always await the customer. Let Mr. Prempert be encouraged. We have known him long, and know him to be a good Barber, a "good fellow" and a good Democrat. We commend him and his enterprise to our people.

"*The War between the States, its Causes, Character, Conduct and Results*," by Hon. ALEXANDER H. STEPHENS, is the title of a valuable work just issued by the National Publishing Co., Philadelphia, Pa.

Histories of the late civil war have sprung up like mushrooms, and they can now be numbered almost by hundreds, but all who are desirous of arriving at a correct understanding of the causes, and a clear history of the events, of the late lamentable war, have felt the want of a reliable history of the same from a Southern standpoint, by some representative man of the South. This want is about to be supplied by Alexander H. Stephens. Mr. Stephens was a most earnest protestant against the war, and only succumbed at the last moment.

The bare announcement that this distinguished Statesman had determined to write a book, would, of itself, be sufficient to kindle a firely and wide spread interest in all sections of the country; but when it is known that he has chosen as his theme the one so fruitful as the late American War, the absorbing interest of the subject, together with the evident and singular fitness of the author for its treatment, unite in awakening a curiosity entirely unparalleled in the annals of American literature.

It presents a careful political analysis of the past, separating *real from apparent* causes of the late unhappy conflict, and gives those interior lights and shadows of the Great War, ONLY KNOWN TO THOSE HIGH OFFICERS, who watched the flood-tide of Revolution from its fountain-springs, and which were so accessible to Mr. Stephens from his position as second officer of the Confederacy.

To a public that has been surfeited with *apparently similar productions*, it presents a change of fare, both agreeable and salutary, and an intellectual treat of the highest order. The Great American War has *at last* found a historian worthy of its importance, and at whose hands it receives that moderate, candid and impartial treatment which truth and justice so urgently demand.

This most valuable work is sold only by subscription, and the publishers want an agent in every County.

FIRST BALE FROM JOHNSTON.—Col. A. J. Heath has forwarded to Messrs J. B. Hunter & Co., of Portsmouth, Va., the first bale of cotton from Johnston County, the present season, and thus obtains the premium offered by those gentlemen.

RELEASED.—We are gratified to learn that Messrs. Tolar, Watkins and Powers have been released from Fort Macon, and that they have, in all probability, ere this, safely arrived at home.

THE DEMOCRATS and Conservatives of Newbern are to have a glorious time tomorrow. There are to be a pole-raising, flag-presentation, dedication of wigwam, &c.

The Democratic Club House was finished on Saturday. Most of the citizens,—among them a large number of the worthy mechanics of the City,—aided personally in its building.

ELIAS D. JOHNSON, Esq., of Robeson, who was elected Treasurer of that County, by the Radicals, at the April election, has renounced the party and come out for Seymour and Blair. His inside view into the corruptions of Radicalism has had the effect upon him, as it will upon all *honest* men, of driving him from the infamous concern.

KEEP IT BEFORE THE PEOPLE that the Radicals of the Legislature, headed by the "Lieutenant Governor" of the State, and, also, the Yankee organ of the party in this City, recommend to their black partizans to *steal* the corn in the field, and to *kill* the cattle and hogs of their neighbors. And keep it before the people that the fruits of this advice are beginning to appear, all over the State, in outrages of the most atrocious character.

A SEYMOUR AND BLAIR CLUB, at Selma, Johnston County, was formed on Saturday last. Col. J. W. Sharp was elected President; P. Godwin, D. Vinson and N. Vinson, Vice Presidents; W. Whitaker, Recording and Corresponding Secretary; C. E. Preston, Treasurer; and Messrs. Ballard, Logan, Preston, Barrow and Lindsay, Executive Committee.

Two hundred and fifty persons joined the Club.

Thirty delegates were appointed to attend the District Convention, on the 10th, at Franklinton. Col. Sharp was unanimously recommended by the Club for the District Elector.

Dr. J. T. Leach, Capt. J. B. Hunter, of Portsmouth, Va., and Col. J. W. Sharp addressed the meeting. It was a good time.

THE LAST edition of the Yankee organ is an *olla podrida* concern. It has an "Infidel" dissertation by the stripling "Attorney General," who travelled in Germany: an Editorial on the Militia, written by "Gov." Holden, in which he threatens resistance to the General Government "at the head of 100,000 men;" one or two "Paiges" of wishy-washy stuff, generally; and several squibs by the Harlequin of the establishment. Good for the *Tax*-hammer.

Rosecranz is a brave man. He lately encountered a round half dozen of rebel Generals at White Sulphur Springs, though one had proved too many for him at Chickamauga.—*Standard.*

This exhibits the sincerity of Radical admiration for the men who fought for the Union. Gen. Rosecranz was, confessedly, when the war was raging, one of the bravest and best Federal Generals. Because he was for stopping the war when the war was over, he is belittled and denounced by these valiant carpet-bag knights.

The rebels of Helena, Arkansas, are so hard pushed to secure the company of colored people at their barbecues that they have been compelled to offer them the choice of tables.—*Standard.*

This is better treatment than the colored men receive at the hands of their Radical "friends" here. They had a Barbecue in this City, in April last, and sent their colored friends, who had flocked thither in numbers, in anticipation of a feast, away as hungry as they came. Hope they'll do better next time.

WAR is boldly announced as the programme of the Radicals in North Carolina, if Seymour and Blair are elected. Perhaps they will try *secession*. Rodman, Holden, Coleman, Blair, of Randolph, Cantwell, Clarke, Albertson, and many of the former leading Secessionists, are now working for Grant and the Empire, and rather than fail, they will go in for another WAR.

ARMS.—A rumor was started, some weeks ago, that boxes had been sent to Wilmington, for the use of Holden's militia. The Speaker of the House alluded to this matter recently, we have heard, as a *fact*. We are incredulous, yet it would be well enough for our friends about Wilmington to ascertain the truth in the premises.

"Half the Churches of our day have not yet reached and seem never to have known anything of the spirit of Christianity."

This must be understood as not including the "trooly loil" church, which holds forth in Commons Hall, under the saintly ministrations of Brethren Blythe, Ashley and Whitson.

"Poor Vance! What will he do now!"—*Standard.*

Read our Charlotte correspondence in another column and you will see what he is doing. Before the campaign is over, the little dogs who are yelping at his heels will find out that he can "do" a great deal.

"Only with a few people in the South has the charge of infidelity any terror."—*Standard.*

It is evident that neither the charge, nor the reality, have any terrors for the Yankee-Radical-Infidel paper in this city.

THE COLONELS of Militia are ordered by C. L. Harris, Superintendent of Public Works, to report to him as Chairman of the Jacobin Executive Committee. This is for the purpose of receiving secret instructions as to the *war* programme, which is being concocted.

GOV. WORTH.—The health of Governor Worth, we are glad to say, is improving, and we learn that he intends to resume the practice of the law in this city. He is now on a visit North, for the purpose of renewing his business relations with his former clients.

HEAVY RADICAL GAIN.—We understand that *three* white men were present at the Grant and Colfax meeting, in this City, on Friday night. There were only *two* at the previous meeting—a gain of *one*.

CHARGE IT UPON the Radicals that they mean WAR—that they threaten to resist the will of the people BY FORCE!

HOLDEN is still organizing his Detailed Militia. We call the attention of Gen. Schofield, the Secretary of War, to this fact.

WHAT ABOUT those secret circulars, which are being issued to "loil" Justices of the *Peace?* Are they all to be constituted Ministers of *War?*

THE LEARNED Yankee paper in this City thinks that LL. D. means "Doctor of *Divinity!*"

ZID JOINER, a colored man of Nash, gives notice of a colored Democratic Barbecue at Spring Hope, in that county, in October.

The number of persons in the Democratic procession at New Orleans on Saturday evening last is estimated at fifteen thousand, of whom twenty five hundred were mounted.

The *Tribune* explains the result in Vermont quite satisfactorily:

"All the offices were in the hands of our friends."

The national debt—the Radical legacy—if piled in dollars, one row up, would be three hundred and ninety-eight miles high.

For the Sentinel.

SEYMOUR AND BLAIR IN NASH.

At a meeting of the Conservative and Democratic citizens of the county of Nash, held in the Court House in the town of Nashville, on the 3d day of Sept., for the purpose of appointing delegates to represent the county in the District Convention to be held at Franklinton, on the 10th inst.;

On motion of Col. R. B. Griffin, Maj. L. M. Conyers was called to the chair, and J. C. Harper and W. T. Griffin were requested to act as Secretaries.

On motion of Col. R. B. Griffin, Captain George N. Lewis was requested to explain the object of the meeting, which he did in a very clear and forcible manner.

Capt. J. Q. DeCarteret, of Raleigh, being present, was loudly called for. He came forward and entertained the audience in an able and telling speech of more than an hour's duration, in which he portrayed the rise and progress of the two great political parties which now divide the country. He pointed out the former grandeur and prosperity of the country, and drew a dark picture of the ruined and desolate condition of our country under the misrule of Radicalism and scallawagism. Space will not permit us to do justice to the Speaker.

On motion of Capt. D. W. Williams, a Committee of five, consisting of H. G. Williams, Samuel E. Westray, L. F. Battle, Capt. D. W. Williams and Col. R. B. Griffin, were appointed to select delegates to the District Convention; whereupon the following named gentlemen were appointed, viz:

Arrington's District.—J A Taylor, W H Rowland, D E Sumner.

Dortch's.—J A Ricks, H H Bryan, S R Hilliard.

Collins'.—Dr D N Sills, L N B Battle, A H Arrington, P Collins.

Ferrell's.—A J Taylor, Capt McBrantly, A H Dunbon.

Bailey's.—A F Lewis, David Bissett, Willie Griswell.

On motion, the Chairman, Secretaries and Committee were added to the list.

On motion, the thanks of the meeting were tendered to Capt DeCarteret.

On motion of H G Williams, Esq., it was requested that the *Sentinel* publish the proceedings of this meeting; whereupon, the meeting adjourned.

Our Midnight Dispatches.

FROM WASHINGTON.

WASHINGTON, Sept. 5, P. M.

Rollins and McCulloch had another interview this morning, in which R is stated that they agreed to disagree regarding Supervisors. None will be commissioned shortly.

Grant's brother-in-law, Dent, arrived this morning, and visited the War Office. He states that Grant remains west till the last of October.

Rollins has nominated five more Supervisors, making twenty in all. McCulloch shows no disposition to confirm any of them.

Among Rollins' nominees for Supervisors are James R. West, for Mississippi, Louisiana and Arkansas; R. F. Patterson, for Tennessee; John Cramer, for North and South Carolina; M. J. Ludloff, for Alabama, Georgia and Florida, and Thos R. Laird, for Virginia and West Virginia.

FROM GEORGIA—THE LEGISLATURE—ELIGIBILITY OF NEGROES TO OFFICE.

ATLANTA, Sept. 5th, P. M.

The House took up the bill for the relief of debtors and the adjustment of debts on principles of equity. After a long discussion, the bill passed by a vote of 68 to 17.

The House took up the bill authorizing the General Assembly to elect a Superintendent, Auditor and Treasurer of the State Road. A majority of the Judiciary Committee favored the bill. The minority report opposed it. A substitute was offered and adopted, that the General Assembly elect five Commissioners for the State Road, whose duty it shall be to elect a Superintendent, Auditor and Treasurer. It will come up on Monday and probably pass.

A resolution was offered, but not acted upon, declaring negroes ineligible to any and all offices of the State, and that all offices, now filled by negroes, be declared vacant, by reason of ineligibility, and that the Governor be directed to have such offices filled in compliance with the code of Georgia. The Governor and other commissioning authorities of the State are instructed to refuse commission to all persons of color who have been, or may be, elected to any office in this State, until the Supreme Court of the State shall have decided the question of eligibility of colored persons.

UNIVERSAL

LIFE INSURANCE COMPANY,

NO EXTRA CHARGE. LOSSES PAID IN

FOR THIRTY DAYS.

FEMALE RISKS. No Restrictions on Travel or Residence

OF NEW YORK.

Office, No. 60, Liberty Street.

The Original Joint Stock Life Insurance Company in the United States.

The Business of this Company is exclusively confined to the Insurance of First Class, healthy lives.

The Distinctive Feature

Of the STOCK system of Life Insurance, as opposed to the Mutual, is a low rate of premiums, for stated sums insured, which is **immediate, sure and certain**, in lieu of a high rate of premium and *promised* dividend, which is distant, contingent and uncertain—this so-called dividend being merely a return of a portion of the excessive and unnecessary premiums charged in the first instance.

☞ The premiums charged by the "UNIVERSAL" are nearly one-third lower than those charged by the Mutual Companies.

The "UNIVERSAL" desires to call the particular attention of Agents and others to the new "Return Premium Table," which has been prepared by the Actuary of the Company. It will be noticed that these Rates average less than the ordinary rates charged by Mutuals. The inducements offered by this table are equal to a reversionary dividend of one hundred per cent. of all premiums paid.

Rates to Secure $1,000 at Death, with a Return of all Premiums paid.

AGE.	Ordinary Life Rate.	Ten Payments Rate.	AGE.	Ordinary Life Rate.	Ten Payments Rate.
25	$21.49	$27.49	45	$36.55	$70.19
30	25.50	43.40	50	44.17	104.27
35	34.34	51.04	55	108.27	142.56
40	28.07	62.44	60	163.91	204.07

Example. A man aged 30 insures his life for $1,000, and pays $43.10 per annum on the 10 payment plan, and dies after having paid five annual payments, or $215.50, his policy will be good for $1,215.50.

NON-FORFEITING CASH RATES

OF THE

ÆTNA LIFE INSURANCE COMPANY,

OF HARTFORD, CONN.

ASSETS, $10,000,000

$130 to pay every 100 of Liabilities.

DIVIDEND, Fifty per Cent. 57,000 Members, and constantly increasing.

DESCRIPTION OF POLICIES.

First.—Whole Life Policies.

Second.—Endowment Policies, for terms of ten, fifteen, twenty, twenty-five, thirty, and thirty-five years.

AGES.

Insurance will be granted at all ages from fifteen to sixty years.

PREMIUMS.

Premiums are payable annually during the continuance of the insurance, or annually during a period of five, ten, fifteen, or twenty years within the insurance term; or by single payment.

DIVIDENDS.

All Whole Life and Endowment Policies, issued at the published rates, will participate in the surplus from the date of issue.

The dividends will be declared and paid annually upon the contribution plan, and may be applied as the assured shall elect, either to reduce future premiums, or to increase the Cash Value of the Policy.

If no election be made, the dividends will always be added to the Cash Values.

When, by adding the dividends to the Cash Value, the accumulations on any Policy shall have become sufficient to keep the same in force for *its full amount*, without further payments, the assured may at his option, either continue payment of premiums—and enlarge thereby the annual additions to its Cash Value—or discontinue them; and in either case when the accumulations shall have become equal to the sum insured, the annual dividends on the Policy will be declared as a percentage of said sum, and paid in cash, and upon surrender of said Policy the sum insured thereby, will be paid in *full*, without regard to the time fixed therein for its payment.

This system of applying the dividends is peculiarly advantageous to the assured, securing, at an increased age, not only relief from further payment of premiums, but, at the same time, an annual income until death, unless he shall have previously received *full* payment of the Policy.

Dividends on paid-up Policies—that is, Policies which require no further payment of premium to continue them in force for the original amount of insurance—will be paid in cash upon demand.

NON FORFEITURE RULES.

No Whole Life or Endowment Policy, on which two or more annual cash premiums have been paid, shall be forfeited by failure to make further payments, as stipulated therein, but will continue in force for the full amount which the Cash Value and dividends then accumulated, will purchase, taken as a single net premium upon the "Actuaries" rate of mortality and four per cent. interest; and the amount continued in force will generally exceed the aggregate of the payments actually made, extra charges excepted.

No Whole Life or Endowment Policy shall be forfeited by an exposure of the assured life in violation of the conditions expressed therein, unless death shall occur DIRECTLY OR IN CONSEQUENCE of such exposure, when the full Cash Value of the Policy, together with all accumulations from dividends, will be paid upon the surrender.

INCREASE OF INSURANCE.

Applications to increase the sum insured on any life will always be considered as applications for new insurance and, therefore, no increase of insurance will be granted unless the unimpaired condition of the assured life shall have been proved by medical re-examination.

General Agent for the State,

THE SESSIONS OF THE SEVERAL Departments open as follows:

The PREPARATORY, September 9th; the COLLEGIATE, September 23rd; the THEOLOGICAL, October 7th; the LAW, October 14th; and the MEDICAL October 19th.

This College was organized with a reference to the oft urged suggestion of WASHINGTON, that a University, at the Federal Metropolis, would tend to the assimilation of the principles, opinions and manners of our countrymen, by the common education of a portion of its youth from every quarter." Its graduates have verified the expectations of Madison and Monroe, that the facilities of hearing debates in Congress, arguments in the Supreme Court and Lectures from eminent men, and of visiting Libraries and Collections in Science, gathered at this centre, would foster a comprehensive mental development.

The Preparatory School gives a thorough training for business, and preparation for College. The College proper has eight efficient Professors; all the Chairs being filled. The Theological School has three Professors and Lecturers; the Law School four, and the Medical ten. The expenses are as low as at other Colleges. Number of students the past year, 434. VEGETABLE PILE OINTMENT.

TO THE PUBLIC.

For 25 Years I was sorely afflicted with the **Piles.** After trying every remedy I could hear of, and failing to receive any benefit, in 1857, I discovered a remedy, purely vegetable, which effected an entire cure, and I have had no return of it.

Anxious to relieve the afflicted and to promote my own benefit, I made public my discovery and had the gratification to know that my remedy cured a large number of persons. My ointment was advertised in the public prints and I met with great success, until the war came on.

By the advice of friends, I have determined again to manufacture the OINTMENT and offer it for sale. Any number of certificates of its value could be obtained if necessary.

Price of box $1, and postage. (fifteen cents.) As soon as I can make arrangements, I will put it in the hands of the druggists of the State.

THE NATIONAL DEMOCRATIC CONVENTION!

THE PLATFORM.

"The Democratic party, in national convention assembled, reposing its trust in the intelligence, patriotism, and discriminating justice of the people, standing upon the Constitution as the foundation and limitation of the powers of the Government, and the guaranty of the liberties of the citizen, and recognizing the questions of slavery and secession as having been settled, for all time to come, by the war or the voluntary action of the Southern States in constitutional conventions assembled, and never to be renewed or reagitated, do, with the return of peace, demand:

First.—Immediate restoration of all the States to their rights in the Union, under the Constitution, and of civil government to the American people.

Second.—Amnesty for all past political offences, and the regulation of the elective franchise in the States by their citizens.

Third.—Payment of the public debt of the United States as rapidly as practicable; all moneys draws from the people by taxation, except so much as is requisite for the necessities of the Government, economically administered, being honestly applied to such payment, and where the obligations of the Government do not expressly state upon their face, or the law under which they were issued does not provide that they shall be paid in coin, they ought, in right and in justice, to be paid in the lawful money of the United States.

Fourth.—Equal taxation of every species of property according to its real value, excluding Government bonds and other public securities.

Fifth.—One currency for the Government and the people, the laborer and the office-holder, the pensioner and the soldier, the producer and the bondholder.

Sixth.—Economy in the administration of the Government; the reduction of the standing army and navy; the abolition of the Freedmen's Bureau (great cheering) and all political instrumentalities designed to secure negro supremacy; simplification of the system and discontinuance of inquisitorial modes of assessing and collecting internal revenue, so that the burden of taxation may be equalized and lessened, the credit of the Government and the currency made good; the repeal of all enactments for enrolling the State militia into national forces in time of peace; and a tariff for revenue upon foreign imports, and such equal taxation under the internal revenue laws as will afford incidental protection to domestic manufactures, and as will, without impairing the revenue, impose the least burden upon and best promote and encourage the great industrial interests of the country.

Seventh.—Reform of abuses in the Administration, the expulsion of corrupt men from office, the abrogation of useless offices, the restoration of rightful authority to and the independence of the executive and judicial departments of the Government, the subordination of the military to the civil power, to the end that the usurpations of Congress and the despotism of the sword may cease.

Eighth.—Equal rights and protection for naturalized and native born citizens at home and abroad; the assertion of American nationality which shall command the respect of foreign Powers, and furnish an example and encouragement to people struggling for national integrity, constitutional liberty, and individual rights; and the maintenance of the rights of naturalized citizens against the absolute doctrine of immutable allegiance and the claims of foreign Powers to punish them for alleged crime committed beyond their jurisdiction.

In demanding these measures and reforms we arraign the Radical party for its disregard of right, and the unparalleled oppression and tyranny which have marked its career. After the most solemn and unanimous pledge of both Houses of Congress to prosecute the war exclusively for the maintenance of the Government and the preservation of the Union under the Constitution, it has repeatedly violated that most sacred pledge, under which alone was rallied that noble volunteer army which carried our flag to victory.

Instead of restoring the Union, it has, so far as is in its power, dissolved it, and subjected ten States, in time of profound peace, to military despotism and negro supremacy.

It has nullified there the right of trial by jury; it has abolished the *habeas corpus*, that most sacred writ of liberty; it has overthrown the freedom of speech and the press; it has substituted arbitrary seizures and arrests, and military trials and secret star chamber inquisitions for the constitutional tribunals; it has disregarded in time of peace the right of the people to be free from searches and seizures; it has entered the post and telegraph offices, and even the private rooms of individuals, and seized their private papers and letters without any specific charge or notice of affidavit, as required by the organic law; it has converted the American capitol into a bastile; it has established a system of spies and official espionage to which no constitutional monarchy of Europe would dare to resort; it has abolished the right of appeal on important constitutional questions to the supreme judicial tribunal, and threatens to curtail or destroy its original jurisdiction, which is irrevocably vested by the Constitution, while the learned Chief Justice has been subjected to the most atrocious calumnies merely because he would not prostitute his high office to the support of the false and partisan charges preferred against the President. Its corruption and extravagance have exceeded anything known in history, and by its frauds and monopolies it has nearly doubled the burden of the debt created by the war. It has stripped the President of his constitutional power of appointment even of his own Cabinet. Under its repeated assaults the pillars of the Government are rocking on their base, and should it succeed in November next, and inaugurate its President, we will meet, as a subjected and conquered people, amid the ruins of liberty and the scattered fragments of the Constitution; and we do declare and resolve that ever since the people of the United States threw off all subjection to the British Crown, the privilege and trust of suffrage have belonged to the several States, and have been granted, regulated, and controlled exclusively by the political power of each State respectively, and that any attempt by Congress, on any pretext whatever, to deprive any State of this right, or to interfere with its exercise, is a flagrant usurpation of power which can find no warrant in the Constitution; and if sanctioned by the people will subvert our form of government, and can only end in a single centralized and consolidated Government, in which the separate existence of the States will be entirely absorbed, and an unqualified despotism be established in place of a federal union of co equal States; and that we regard the reconstruction acts (so called) of Congress as usurpations, and unconstitutional, revolutionary, and void; that our soldiers and sailors, who carried the flag of our country to victory against a most gallant and determined foe, must ever be gratefully remembered, and all the guarantees given in their favor must be faithfully carried into execution.

That the public lands should be distributed as widely as possible among the people, and should be disposed of either under the pre emption or homestead laws, and sold in reasonable quantities, and to none but actual occupants, at the minimum price established by the Government. When grants of the public lands may be allowed necessary for the encouragement of important public improvements, the proceeds of the sale of such lands, and not the lands themselves, should be so applied.

That the President of the United States, Andrew Johnson, (applause,) in exercising the power of his high office in resisting the aggressions of Congress upon the constitutional rights of the States and the people, is entitled to the gratitude of the whole American people, and in behalf of the Democratic party we tender him our thanks for his patriotic efforts in that regard."

CONSTITUTION AND BY-LAWS FOR CLUBS.

We have received letters from several sources, requesting us to send printed copies of a Constitution and By-Laws for the organization of Seymour and Blair Clubs.—Having none on hand, and no funds to print them, we have prepared the following Constitution and By Laws, as a guide for Clubs, and submit them to the consideration of our friends. They were submitted to the Young Men's meeting to form a Seymour and Blair Club, in this city, on Tuesday night, and unanimously adopted:

CONSTITUTION.

ARTICLE 1st. This Association shall be styled the ——— Club of ——— of North Carolina.

ART. 2. The objects of this Association are as follows: To unite in close political compact every Democrat, Conservative, or by whatever name known, in North Carolina, for the support and defence of the Constitution of the United States; the promotion of the peace and good will of society and the harmony of the Union; the proper enforcement of law and order by legitimate forms, and the utter destruction of Radicalism every where, by the election of HORATIO SEYMOUR, of New York, as President, and FRANCIS P. BLAIR, of Missouri, as Vice President, and all other Democratic and Conservative nominees for any office; and, further, to promote the mutual benefit and protection of each other in all lawful pursuits, aiding each other in business, as being members of one great political family, seeking to promote each other's welfare, and especially to extend such aid to those who have been or may be ignored or proscribed by the Radical party, as the Association may be able.

ART. 3. The officers of this Club shall consist of a President, three Vice Presidents, a Recording Secretary, a Corresponding Secretary and a Treasurer, who shall perform the duties usual to such offices, and who, together with Five Directors, shall be elected annually at the annual meeting of the Association, and shall constitute an Executive Board, to whom shall be committed the interests of the Club.

ART. 4. This Constitution, and such By-Laws or Regulations as the Club may adopt may be altered, amended or changed at any public meeting of the Club by a vote of two-thirds of the members present.

SUBSCRIPTION.

We, whose names are hereto annexed, do solemnly pledge our word and sacred honor, constantly and faithfully to promote the objects and aims of this Club as set forth in the foregoing Constitution, and do hold ourselves ready to defend the same, and to protect, to the extent of our ability, every member of this Association throughout the State.

BY-LAWS AND REGULATIONS.

1. Every member of this Club shall sign and subscribe the Constitution, in order to recognition.

2. All monied contributions to the objects of the Association shall be voluntary, and shall be held by the Treasurer, who shall keep an exact account and disburse the same only on the order of the Executive Board, to whom he shall submit his accounts when ordered.

3. The Club shall order its public meetings when and where it chooses, and the President may call meetings when desirable, but the Executive Board, or such of its members as may be designated, shall select speakers and make all necessary arrangements.

4. Each member of the Executive Board is hereby appointed a Committee to solicit names for membership, also monied donations for the objects of the Club, and to attend to the general interests of the Club, such as directing the correspondence, procuring and circulating documents, &c.

5. The Executive Board shall meet to transact the private business of the Club as often as it may order, (and the officers of the Club shall be *ex-officio* officers of the Board;) when the names of members shall be presented for registration or dismissal for good cause, to consider the financial business of the Club and such other private matters as may be necessary. All members of the club may attend the private meetings of the Board when convenient, and may give counsel, but the business of the Board will be determined by the votes of the Board itself.

6. Any member of the Club intending to move to any other section, may obtain a certificate of his membership in this Club, if he desire it, to be signed by the President and Secretary.

7. The Executive Board of each Club will give special attention to all matters of registration, voting, &c., see that all do their duty, and that the law is strictly observed, that all fraud or mal practice is detected and duly punished.

REMARKS.

1. In South Carolina, Georgia, Mississippi and other Southern States, strong Democratic Clubs are being formed, composed of colored citizens. The Constitution above is so worded that it can be adapted to any place or persons. If Democratic Clubs can be formed entirely of colored persons, perhaps it will be best; but where there are few, the Clubs may decide to enter them on their registers or not, as they may elect.

2. We would suggest that Young Men's Clubs, everywhere, should embrace all young men, from 18 years of age, and upwards. Many old men are faint-hearted, timid, afraid to let people know their political *status*. Take in the young men, who have the pluck, and who may be educated to *love* the Constitution and the country, and who will always vote right, when they become of age. We need the ardor and boldness of youth, as well as the prudence and wisdom of age. The necessity for this, however, would be obviated, if the young men, under the age of 21, would form Clubs of their own.

3. We insist upon forming Clubs in every Ward, in every precinct and Captain's District in the State, where 25 or 30 members, and as many more as possible, can be obtained. The more the better. The talent and energy of all our people must be brought out. It will not do to let the old men and the old party managers do all the managing and the talking. We *must put every man* in some position to be useful. By having a Club in every Ward and every neighborhood, we can find room for a great many as officers and talkers and working men. We can have our Club meetings out of doors, these pleasant nights, by moonlight or camp fires, and there will be a chance for *every man*, who can make a talk, or a little speech, or a great speech, to do something in that line. Let the Clubs be formed. Bring out all our men to work for the Constitution and the country, and let us save them by the election of Seymour and Blair!
